

# Rolling In The Deep

Tonart Cm

Adele

There's a fire starting in my heart,  
Reaching a fever pitch, and it's bringing me out the dark  
Finally, I can see you crystal clear  
Go ahead and sell me out, and I'll lay your shit bare

See how I'll leave with every piece of you  
Don't underestimate the things that I will do  
There's a fire starting in my heart  
Reaching a fever pitch, and it's bringing me out the dark

The scars of your love, remind me of us  
They keep me thinking that we almost had it all  
The scars of your love, they leave me breathless  
I can't help feeling...

We could have had it all...

(You're gonna wish you, never  
had met me)

Rolling in the deep

(Tears are gonna fall, rolling in the deep)

You had my heart inside... of your hand

(You're gonna wish you  
never had met me)

And you played it... To the beat

(Tears are gonna fall

Rolling in the deep)

Baby, I have no story to be told,  
But I've heard one on you. Now I'm gonna make your  
head burn  
Think of me in the depths of your despair  
Make a home down there, as mine sure won't be shared

The scars of your love,  
(You're gonna wish you, never had met me)  
remind me of us, they keep me thinking that we almost  
had it all  
(Tears are gonna fall, rolling in the deep)

The scars of your love,  
(You're gonna wish you, never had met me)  
They leave me breathless , I can't help feeling...  
(Tears are gonna fall, rolling in the  
deep)  
We could have had it all...  
(You're gonna wish you, never  
had met me)  
Rolling in the deep  
(Tears are gonna fall, rolling in the deep)

You had my heart inside... of your hand  
(You're gonna wish you  
never had met me)  
And you played it... To the beat  
(Tears are gonna fall Rolling in the deep)

We could have had it all  
Rolling in the deep  
You had my heart inside of your hand  
But you played it with a beating

Throw yourself through every open door (Whoa)  
Count your blessings to find what you look for (Whoa-uh)  
Turn my sorrow into treasured gold (Whoa)  
You'll pay me back in kind and reap just what you sow

(You're gonna wish you, never had met me)  
We could have had it all  
(Tears are gonna fall, rolling in  
the deep)  
We could have had it all yeah  
(You're gonna wish you, never  
had met me)  
It all, it all, it all  
(Tears are gonna fall, rolling in the deep)

I: We could have had it all...

(You're gonna wish you, never  
had met me)

Rolling in the deep

(Tears are gonna fall, rolling in the deep)

You had my heart inside... of your hand

(You're gonna wish you  
never had met me):I

(nur beim 1. mal) And you played it... To the beat

(Tears are gonna fall Rolling in the deep)

(nur beim 2.mal) But you played it, you played it, you  
played it, you played it to the beat
