And the saints we see are all made of gold

When your dreams all fail

And the ones we hail

Are the worst of all, and the blood's run stale

I wanna hide the truth

I wanna shelter you

But with the beast inside

There's nowhere we can hide

No matter what we breed

We still are made of greed

This is my kingdom come

This is my kingdom come

When you feel my heat, look into my eyes

It's where my demons hide

It's where my demons hide

Don't get too close, it's dark inside

It's where my demons hide

It's where my demons hide

At the curtain's call
It's the last of all
When the lights fade out, all the sinners crawl

So they dug your grave
And the masquerade
Will come calling out at the mess you've made

*Don't wanna let you down
But I am hell-bound
Though this is all for you
Don't wanna hide the truth*

*No matter what we breed
We still are made of greed
This is my kingdom come
This is my kingdom come*

**When you feel my heat, look into my eyes
It's where my demons hide
It's where my demons hide**

**Don't get too close, it's dark inside
It's where my demons hide
It's where my demons hide**

*They say it's what you make
I say it's up to fate
It's woven in my soul
I need to let you go*

*Your eyes, they shine so bright
I wanna save that light
I can't escape this now
Unless you show me how*

**When you feel my heat, look into my eyes
It's where my demons hide
It's where my demons hide**

**Don't get too close, it's dark inside
It's where my demons hide
It's where my demons hide**
